

History

On September 1, 2011 Beth Stanley and her husband Jim, began work on the property. The house was built in 1890 and sits on what was once Rt. 360. Beth and her husband along with the help of friends, family and subcontractors transformed this little farm house into a classic English Tea Room

Beth and her daughter, Wendy Troupe, are the proud hosts of Simply Tea.

A Classic English Tea Room

We hope we have made your experience at Simply Tea a pleasant memory. Please share it with your family and friends.

Simply Tea is dedicated to the loving memory of my mother and Wendy's grandmother and Cynthia's great grandmother Lorraine "Dootsie" Bryant.
